Property Description

Inside this home with a solid foundation, you'll find a bright and inviting living space featuring gleaming hardwood. The kitchen has been tastefully updated with cupboards, countertops, pantry, and door, complemented by porcelain tile flooring. The bathroom was redone by Bath Fitters in 2005 and includes a vanity with a granite top and matching porcelain tile. Additional interior upgrades include newer laminate floor upgraded lighting, central vacuum with attachments, and nearly all newer PVC windows on the main floor. Beautiful new laminate floor pours throught main and basement finished with new trim and baseboard. Tasteful newer vinyl siding and updated soffit and facia finish this home to turn key.

- Fantastic NW area of Regina
