

604 Freeman Crescent, Kingston, Ontario K7K 7H6

Residential • Bungalow • Beds: 3+1 • Baths: 3 • MLS®: X12909050 • Sq. Footage: 1100-1500 ft

Property Description

Welcome to this beautifully maintained elevated bungalow in Kingston's sought-after east end, offering exceptional space, thoughtful updates, and pride of ownership throughout. Situated on a fully fenced, landscaped lot, this property features a large concrete patio - ideal for entertaining, relaxing, or enjoying summer evenings in your private backyard retreat. Inside, the carpet-free main level offers a bright and functional layout. The welcoming front living and dining room is filled with natural light, while the outstanding newer kitchen is sure to impress with skylights, a large pantry, newer appliances, updated light fixtures, and patio doors leading to the covered porch and rear yard.

\$779,000
