Property Description

BACK TO THE PAST! Forget the DeLorean -this farmhouse has been travelling through time since 1890. Perfectly imperfect is exactly the point: uneven floors, walls with opinions of their own and unexpected steps that keep you on your toes. The kitchen features a wood-burning fireplace, while upstairs you'll find four bedrooms and plenty of old-house character. Outside, enjoy lots of lawn for kids to run, room for a swing, trees to climb and space for chickens to roam. This isn't cookie-cutter living; it's a home with 136 years of creaks, slopes, quirks, and stories. Bring your imagination, embrace the experience, and come discover 1890 with indoor plumbing! Welcome Back to the Past.
