Property Description

You'll find tasteful updates throughout this recently renovated, back split in the desirable Lockport Northend neighborhood. This stunning back-split has been renovated top to bottom. An excellent renovation isn't just about making a house look it's best, but also about bringing the home up to current safety standards. That's why this home has been rewired, complete with an Interconnected Smoke Detector System and boasts an updated 200 AMP Service Panel with the ESA Certificates available upon request to prove it was done right. Make sure to click on the multimedia icon to see additional slide show, HD pictures, printable flyer and other features. Book your showing today and make this house your home.
